

LOG CABIN PANCAKE HOUSE

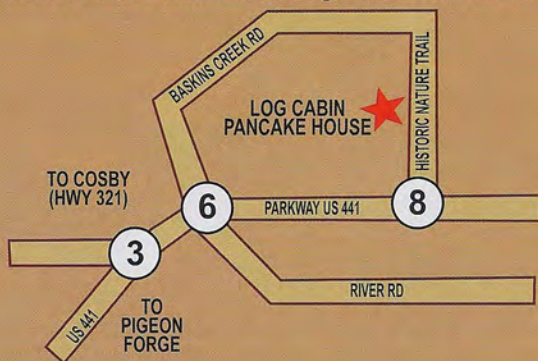

Established in 1976 during our nation's Bicentennial, many years were spent searching the "hollers", knobs and valleys of Tennessee, Kentucky and West Virginia locating just the right timbers to use in building our structure.

We continue that same commitment to doing things right each and every day as we prepare delicious meals, salad bars and buffets sure to satisfy your tastebuds and put the Log Cabin Pancake House at the top of the list of your favorite places to dine in Gatlinburg.
